

Diving Queensland ANNUAL REPORT 2020

for Presentation at the
Annual General Meeting

29 April 2021

Diving Queensland would like to thank the Queensland Government, once again for their continued support & funding. Without their continued funding Diving Queensland could not do the good work they do.

President's Report

2020 was a year of much uncertainty and change in every aspect of life and diving in Queensland was no exception. It was a year that brought many long months with no diving but also a year that brought unity in the sport with renewed optimism and a future where we work together as one team. My first and foremost thanks goes to our clubs and to Diving Australia for supporting our vision and uniting with us to create a future for diving in Queensland that is inclusive, progressive, passionate and supportive.

We were proud to launch the first Indigenous Diving Program in Australia in partnership with Hymba Yumba school in 2020. The program provided 15-20 students with 2 diving training sessions a term in terms 3 and 4. Thank you to Vyninka Arlow who provided significant support in getting this program off the ground. We look forward to continuing this partnership in 2021.

The Diving Queensland holiday program and Adult diving programs were a tremendous success in 2020 with the programs both reaching capacity. In 2021, we hope to grow both programs in partnership with our clubs.

In 2020, we also saw the partnership with Deaf Sport Queensland reinvigorated for a successful 6 week program. There was remarkable improvement in skill and confidence after the 6th session and we are keen to see the 2021 program deliver more opportunities to learn to dive.

2020 was also the year of facilities upgrades with Sleeman, Kawana and Centenary pools having both minor and major upgrades to dive pools and dive boards. This was a great outcome for clubs and divers.

Congratulations and many thanks to our Board members who have continued to provide guidance and support. The Board, the subcommittees and the dedicated team of volunteers are the lifeblood of diving in Queensland. Without the significant contribution of all of these people, we would be unable to deliver the competitions and programs that we had in 2020.

Thanks also to our Patron, Mr Greg Vickery OA, who continued to support us with his kind words, and his presence at our competitions throughout the year. We look forward to another year with Greg's patronage.

Coaching

Seven QLD coaches attended a Level 1 Coach workshop in September. All have now been accredited with Diving Australia as Level 1 coaches. We look forward to watching the progression of these coaches. Congratulations.

Thanks go to Tandi Hinchliffe, Jodie Gillam and Vyninka Arlow for her continued support and assistance with coaching accreditations in Queensland.

Competitions

We congratulate the competitions committee on an outstanding year of competitions in an incredibly difficult and ever changing COVID environment. Thanks to Stuart Graymore (Coordinator), Damian Smith, Toni Toohey and Heidi Graymore for ensuring the smooth and effective running of these events.

Communication

We have focused on improved communication in 2020 through social media, our database, our newsletters and emails to clubs and members directly. Our social media following and engagement has significantly increased. We will continue to focus on improving in communications in 2021.

Membership

Memberships dramatically increased in 2020 and we thank all clubs for sending recreational and holiday diver details to provide a more accurate record of diving in Queensland. With a clear base, we can now work to increase participation at all levels.

Officiating

A successful one-day judge's workshop was held in October. Heidi Graymore and Stuart Graymore presented the judges workshop and updated participants on current rule changes. Judges are assessed at all competitions which includes feedback and mentoring. It is compulsory for judges to attend one workshop a year to maintain accreditation. This includes judges at club competitions who must be accredited Level 1 judges, having attended both a workshop and completed the judge's exam with a pass of 80% or higher.

Thank you to all our judges and recording secretariat officials for your continued attendance at State, National and International events, representing QLD and Australia.

Message from the State Administrator

It is with great pleasure that I present the 2020 Annual Report. Being involved with the Diving Queensland community for the past 19 years, I was delighted when I was offered the part-time position of State Administrator.

As I was only in this position for the last 2 weeks of 2020, I want to congratulate the Diving Queensland Board and the Queensland Clubs on their fantastic management and administration. 2020 was perhaps the toughest year on record for our athletes and coaches and as we look back, you should be very proud of the way you battled through the COVID-19 pandemic.

Given the strong position that Diving Queensland now finds itself in, it is almost difficult to comprehend the struggles we faced in what was a year I am sure many of us would like to forget. However, as we reflect on the challenges and hurdles we faced in 2020, it is clear that due to some major reasons, we were successful in weathering the storm.

Teamwork – The only thing that will reassure and assist our mighty athletes to achieve their goals. It takes a lot of volunteers and others to wind through the course and pathways to greater glory. Strength is in the ability for those volunteers to encourage the respect in our workforce that will only reinforce those athlete's willingness to participate as Queenslanders, and other volunteers to 'want' to be a part of a good team.

Volunteering – Our organization is built off the hard work from parents, family members and friends. From those who find themselves on the officiating table at every local competition to the casual spectator willing to put their hand up and serve as a marshal for one event, diving in Queensland is only possible when everyone lends a hand.

Participation - We are constantly striving to make the organisation one in which members want to belong and participate. Change is always difficult, but a necessity to grow our sport for the benefit of the membership. Over the past 12 months, we have seen people from all walks of life, who have never before found themselves on a diving board, find a new home within our diving community.

Dedication – Although 2020 may have been fewer hours in the pool, we certainly made up for it with hours in the home offices, boardrooms and coffee shops. The dedication from our team to provide new opportunities while continuing a lasting legacy has been unstoppable even when at times there was little reward.

As we now flip the page into 2021, there is nothing but positivity on the horizon. With a combination of new faces and new ideas meeting with experts and lasting members, Diving Queensland looks to go from strength to strength. On my end, I am more than excited to see what is in store.

Toni Toohey

Competition Director's Report

2020-21 has been a very disrupted year due to the COVID 19 pandemic for the Diving Queensland Competitions Committee. Will were able to hold 5 competitions for this period.

The committee started off consisting of four very dedicated Volunteers (Toni Toohey, Heidi Graymore, Damian Smith & Stuart Graymore) who pride themselves in running professional and efficient competitions.

After the November 2020 competition held at Southport, Heidi Graymore resigned from the President's role and the Competitions Committee.

On Behalf of the Competitions Committee, I would like to say a very big thank you to Heidi for her contribution to the Competitions Committee over a long period and she will be sorely missed in the future.

There were also a few subtle changes within the year with Toni taking over the Competition Committee Convenor's role in October 2020, as Stuart stepped into the vacant STOC role.

To run a successful competition, we also needed help from the many volunteers ranging from Announcers, Recording Staff, Judges & Referees. A massive THANK YOU to all volunteers who helped over the year, because without them the competitions could not go ahead.

We offered Five (5) qualifying competitions, each and every one run to Diving Australia Standards.

Upcoming events for the remainder of the 2020 – 2021 year will be Qualifying events, Australian Age Nationals to be held in Brisbane and 2021 World Cup trials, also to be held in Brisbane.

Stuart Graymore

On Behalf of the Competitions Convenor

Technical Coordinator's Report

The 2020-21 year has been disruptive in the area of Technical Officials.

Our long term STOC and level 6 judge, Kevin Hall, is taking a well-deserved break away from diving and we hope he returns refreshed and ready to resume in the near future.

We have to say goodbye for now to the following officials who have either moved interstate or are taking a break from diving.

Diving Queensland would like to say a big thank you to Kevin Hall, Caitlyn Bowell, Heidi Graymore, Courtney Graymore, Rebecca Stafford and Mary Holgate for their time in supporting our sport.

Also Diving Queensland would like to say thank you to the remaining judges, including our DA High Performance coaches, that give up their time to judge at our events, without all of you we could not hold our qualifiers for our divers.

At the time of writing, Queensland now has the following judges. Noting that the following judges with * have moved interstate / overseas or # have been inactive for greater than two years.

Official Name	Level	Official Name	Level
Kevin Hall	6	Ashleigh Magee	2
Stuart Graymore	6	Lachlan Cronin	2
		Karina Arbon	2
Erin Toohey	5	Kodii Rayson	2
		Amuri Hughes	2
Courtney Graymore	4*	Laraine LeNoel	2
Heidi Graymore	4	Julie Matkovic	2
Caitlyn Bowell	4*	Dilani Wathukarage	2
		Sarah LaFleur	2#
Alan Smith	3	Teila Quinton	2#
Jane Bowell	3		
Markus Perilla	3	Mackenzie Bowell	1
Natasha Waldroff	3	Charlee Drake	1
Jeff Arbon	3	Lucy Larkins	1
Sanee Lagerway	3	Maxine Boyd	1
Taneka Kovchenko	3	Leisa Rayson	1
Toni Toohey	3	Carolyn LaPouple	1#
Shai-Lea Williams	3	Jessica Sutherland	1#
Mary Holgate	3		
Rebecca Stafford	3*		

Whilst on certification, please be reminded that when judging at any level of competition each judge must have successfully completed the state judging workshop and have at least a level 1 status. This includes club & school events.

Last year's judging workshop was a great success, and we had many current and new judges attending. However, it is unfortunate that more qualified judges have not been active in pursuing the chance to shadow at Diving Queensland events to improve and progress their judging skills. It would be a great help to the Technical Committee and the Competitions Committee if more judges could make themselves available for our Diving Queensland events to help out with the competitions.

An important note to level three and above judges, it is important that you attend and judge at national events relevant to your level to improve your skills by judging a more diverse range of dives and secondly to be evaluated by other experienced judges to receive valuable feedback from them and third to increase your chances of elevating your judging level.

Diving Australia's National Technical Diving Committee (NTDC) have implemented a new officiating judging system and are continuing to update the relevant new policies. These policies have been ratified, and all current Diving Queensland judges should be aware of the changes and new requirements. Diving Queensland will devise and implement the required state workshop and include relevant information to you about the new officiating system.

I will look forward to working with you all again once the current environmental challenge that faces us allows us to be together again.

Technical Workshop

The Technical Committee held the Officials Workshop on 18th October 2020. Eight participants took part, including four new judges. All passed their exam and are now are Level 1 judges. The four remaining also passed and are looking at gaining more experience at both state and national level.

We had the pleasure of Eric Brooker from NSW presenting the finer points of judging synchro, and Simon Latimer from NZ presenting on psychology of judging diving.

Stuart Graymore

STOC

Coaching Report

Level 1

In September 2020, Queensland held a full day Level 1 Coach Accreditation Course. There were seven candidates who had completed all necessary online course work and completed the practical workshop. Congratulations go to Sharleen Wren, Liam Davis, Jaymee Kronenberg, Karina Arbon, Sascha Noort and Lucy Larkins who are now coaching at a club level.

Diving Queensland would like to extend our gratitude and thanks to Vyninka Arlow and Tandi Hinchliffe for taking the time to present this workshop. Big thank you also to all our divers who made themselves available so our candidates could learn from you.

Level 2

No Level 2 courses were held during 2020 because of COVID.

Recreational Diving

2020 saw a down turn in participation numbers because of the COVID-19 pandemic. We did, however, manage to hold a holiday program in September 2020.

Most sessions were oversubscribed which enabled us to offer additional sessions to keep up with demand. We have many participants that attend multiple sessions during holidays. We will continue to offer this program at a heavily subsidised cost to participants in order to expose our sport to as many people as possible. During all Diving Queensland holiday sessions, club flyers are handed out to parents. So far, the conversion rate to club level has been minimal with only one or two divers signing up to a club.

We have continued on with our GOLD & Adult diving lessons. Each week we offer a 90 minute lesson and it is wonderful seeing how many older people dare to be different!

Thanks to all the coaches that have assisted throughout 2020 with all these programs. We receive positive feedback about the running of our events.

Thank you

As of December 2020, Heidi Graymore decided to step away from diving to have a well-deserved rest. On behalf of the Diving Queensland Board of Directors and the Diving Queensland community, we would like to thank Heidi for her commitment and dedication to Queensland diving over the past 10+ years.

Heidi has always put her hand up to volunteer and help whenever necessary. There was not a job that Heidi did not excel at. She is one of the most proficient Top & Tailers working in the diving Secretariat, not only at our DQ qualifier, State & National Championships and at the highest level at the Commonwealth Games.

Heidi also put her hand up to Judge, reaching level 4, there again judging at DQ qualifiers through to Australian Nationals Championship at all levels.

She was also on every committee, our Media manager, uniforms officer, School Sports Manager, and if that was not enough, Heidi took over the President's role of Diving Queensland in 2014.

Heidi has played an enormous part with Diving Queensland moving forward. As a sign of the appreciation for all her hard work, she was made a Life Member in 2017. So well deserved!

THANK YOU, Heidi, for all your hard work, commitment, compassion, loyalty, kindness, and friendship. Do not be a stranger. Let us hope we see Heidi around the pool again soon.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared to satisfy the financial reporting requirements of the Associations Incorporation Act Queensland 1981.

In the opinion of those charged with governance, the Association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored to satisfy all their information needs.

The financial report has been prepared on an accruals basis and is based on historic costs and does not consider changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income tax

The association is exempt from income tax in accordance with the provisions of Section 50 of the Income Tax Assessment Act 1997 accordingly no liability is recognised.

STATEMENT BY MEMBERS OF COMMITTEE FOR THE YEAR ENDED 31 DECEMBER 2020

The Members of Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Members of Committee the Statement of Income and Expenditure, Balance Sheet and Notes to the Financial Statements:

1. Presents fairly the financial position of **Queensland Diving Association Incorporated** as at **31 December 2020** and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Members of Committee and is signed for and on behalf of the Members of Committee by:

President

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of, **Queensland Diving Association Incorporated** which comprises the statement of income and expenditure and the balance sheet as at the **31st December 2020**, the notes to the financial statement, including a summary of significant accounting policies, and the Statement by the Members of the Committee.

In our opinion the financial report of **Queensland Diving Association Incorporated** been prepared in accordance with Associations Incorporation Act 1981, including.

1. giving a true and fair view of the association's financial position as at **31st December 2020** and of its performance for the year ended on that date.
2. comply with Accounting Policies to the extent described in Note 1 and the Associations Incorporation Act (Qld) 1981.

Basis for opinion

We conducted our audit in accordance with the Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial report section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report is prepared to assist for the purpose of fulfilling the Association's financial reporting responsibilities under the Associations Incorporation Act (Qld) 1981. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act (Qld) 1981 and to meet the needs of the members. The management's responsibility also includes such internal controls as the officers determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Management is responsible for assessing the Association's ability to continue as a going concern, disclosing as applicable, matters relating to going concern and using the going concern basis of accounting unless Management either intent to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Management are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report. A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.
